

PLACARDS AND MARKINGS

1. Definition

- A. Exterior Placards and Markings.
 - (1) Exterior placards and markings are found in the Model 208 Illustrated Parts Catalog, Chapter 11, Placards and Marking.
- B. Interior Placards and Markings.
 - (1) Interior placards and markings that are installed in the flight and passenger compartment areas of the airplane are found in the Model 208 Illustrated Parts Catalog, Chapter 11, Placards and Markings.
- C. When you send an order for the placards from the Model 208 Illustrated Parts Catalog, specify black or white lettering on the placard to contrast with the exterior paint scheme of the placard location.
